THE BUB 2017

The Bub is a tribute to our owners daughter Alison, known as The Bub, Bubster or Alibubba in her earlier years.

The Bub is made from 55% Pinot Noir and 45% Chardonnay grapes which were harvested the first week of September. Primary fermentation took place in a combination of concrete “and stainless steel tanks before bottling in November 2017 for secondary fermentation. Disgorged late January 2019 with no sugar added in the dosage.

WINE PROFILE This vintage is a shining example of what the Okanagan does best – crisp, fresh and delicious.

Vibrant and alive with brioche and citrus notes. Layers of lees autolysis meld with a delicate and very fine mousse.

Bone dry and versatile. This wine represents the amazing ability of Okanagan Valley to produce classical traditional method wines and more importantly our dedication to organic farming and land stewardship.

Brix: 18 | pH: 2.86 | TA: 9.9 | RS: 0.0 | Alc: 11.5%

ABOUT HAYWIRE Haywire offers pure, lively, wines that reflect the unique cool climate terroir of Canada’s Okanagan Valley. Founded in 2009, “haywire” is an old Canadianism that refers to wire used for baling hay. Haywire tended to tangle and be unpredictable making it an apt description of Christine and Steve’s impromptu decision to own a winery. With home vineyard Switchback and sister properties Garnet Valley Ranch and Secrest Mountain now organic certified, Haywire is recognized as making some of the most game-changing wines from the region.
