## VINTAGE BUB 2013

Vintage Bub is a tribute to our owners daughter Alison, known as The Bub, Bubster or Alibubba in her earlier years.

Secret Mountain Vineyard is a 50-acre site, home to a 38 acre (15 ha) vineyard situated on a flat south-west facing bench in a high mountain setting 487 meters (1,600 feet) above sea level. This cool site has flat alluvial soils are studded with coarse gravel, sandy loam with limestone layers. The vineyard was planted in 2000 with Chardonnay, Gewurztraminer Pinot Blanc, Pinot Gris, Gamay Noir and Pinot Noir. Since 2010, it has been farmed under the direction of Okanagan Crush Pad and a conversion to organic farming practices was started in 2014. In 2018 when Brad and Dave Wise decided to retire, the winery purchased the property from the family and will carry on with the work that the Wise family has done for the past 18 years.

**ABOUT HAYWIRE** Haywire offers pure, lively, wines that reflect the unique cool climate terroir of Canada's Okanagan Valley. Founded in 2009, "haywire" is an old Canadianism that refers to wire used for baling hay. Haywire tended to tangle and be unpredictable making it an apt description of Christine and Steve's impromptu decision to own a winery. With home vineyard Switchback and sister properties Garnet Valley Ranch and Secret Mountain now organic certified, Haywire is recognized as making some of the most game-changing wines from the region.
