SWITCHBACK VINEYARD PINOT GRIS 2022

Haywire was established in 2009, with the first tiny crop harvested at Switchback Organic Vineyard, starting life as a virtual brand. Today, Haywire has grown into its own as an anchor attraction in Summerland, BC, unveiling a bold new label and a relaxing new visitor lounge spring 2023. Haywire celebrates the Okanagan's exceptional terroir, embracing a "less is more" style, utilizing state-of-the-art concrete tanks and a gentle winemaking hand.

WINEMAKING

100% Pinot Gris from Switchback Organic Vineyard was whole cluster pressed and fermented naturally then aged in concrete tanks. 11 months on lees with constant stirring delivered a complex wine with fine structure and texture. Beautiful aromas of orange blossom, white grapefruit and honeycomb support a rich, but fresh palate with a long finish and perfectly balanced acidity. A perfect wine to pair with roasted lemon chicken, Asian dumplings or an afternoon poolside.
